

## ADVANCED DIPLOMA IN INTERNATIONAL SUPPLY CHAIN MANAGEMENT (PART-TIME) (ADISCM-PT)

### Program Objectives

The ADVANCED DIPLOMA IN INTERNATIONAL SUPPLY CHAIN MANAGEMENT (PART-TIME) (ADISCM) course addresses many of the important issues associated with business, trade and supply chain guidelines for further development of effective global supply chain strategies. This course will help answer strategic questions about today's demanding global business arena by emphasizing the fact that supply chain professionals have much more economic leverage than they realized.

### Who Should Attend

It is suitable for those who are interested in pursuing a qualification and a career in supply chain management or in logistics related areas like transportation, physical distribution, warehousing, materials and inventory management, purchasing, manufacturing, retailing and information linkages for industries.

### Entry Requirement

Applicants should possess a SIMM Diploma, Graduate Diploma or logistics and supply chain related equivalent course. Applicants with other qualifications deemed to be acceptable may be considered by admission committee.

Matured Candidate enrolment:

Matured candidates may be considered for entry on a case to case basis:

Matured candidates criteria:

- a. Age above 30 years of age.
- b. Minimum of 8 years of working experience, experience need not necessary to be in the logistics industry

### Program Coverage

The program is of 10 months duration and consists of 7 modules, including examinations and assignments. Number of exemptions sought for the below modules is subjected to approval by SIMM Academic Director.

### Modules:

- 1) Balanced Scorecard
- 2) Business Strategic Logistics/Supply Chain Management
- 3) Customer Relationship Management And E-Fulfillment
- 4) Integrated Materials Management
- 5) International Logistics/Supply Chain Management
- 6) International Operations Management
- 7) Management Project

### Assessment and Examinations

The ADISCM programme examination is a continuous assessment through written assignments and written examinations. This ensures that actual application of concepts and knowledge coupled with professional experience will make learning more practical and relevant.

Participants must pass the final examination with a total score of 50 or higher.

A supplementary exam may be granted to participants who failed the main examination. Participants will be required to re-enrol for the subject if he/she failed the supplementary examination.
